Dear Sir:

I understand from one of our members that you are interested in numismatics, and I am wondering if you have ever received an invitation to become an Associate member of our Society. The dues are but Five Dollars annually, and our members are entitled to receive our publications as they appear, and also have the privilege of subscribing for any medals that may be issued by the Society.

I take pleasure in enclosing a folder which briefly describes the aims of the American Numismatic Society, together with an application card which I should be glad to have you fill out and return to me should you decide to affiliate yourself with the Society.

Trusting I may receive a favourably reply,

Very truly yours,

Secretary
